Financial Management:	Budget:		

Position Purpose

The appointee will be scheduled to undertake rotations such as the MAU Registrar, Peri-Op Registrar in sub-specialty medicine e.g. Cardiology, Intensive Care, Haematology and Renal. Each of these rotations have specific requirements and specific position descriptions.

Advanced Trainees in General Medicine are expected to actively participate in the educational activities of candidates for the First Part of the FRACP. The Advanced Trainee will assist the Elizabeth Austin Registrar organising exams and teaching programs for the candidates and providing feedback to the candidates to assist their development.

Advanced Trainees in General Medicine are also expected to provide education to very Junior Medical Staff. The candidates are required to provide teaching at the bedside and in formal settings.

Advanced Trainees in General Medicine may be rostered to do additional or separate duties outside of General Medicine that would be compatible with General Medicine Training.

Advanced Trainees in General Medicine are expected to complete a research or clinical project.

About Austin Health

Austin Health is one of Victoria's largest health care providers. Comprising the Austin Hospital, Heidelberg Repatriation Hospital, Royal Talbot Rehabilitation, Hospital in the Home and community based health services; Austin Health is an internationally recognised leader in clinical teaching, training and research, with numerous university and research institute affiliations.

Austin Health employs in excess of 8,000 staff across its sites; including over 1,000 doctors and 3,000 nurses, and delivers a full range of leading edge clinical services, including several state-wide services (liver transplant, spinal cord injury service, respiratory support service, child inpatient mental health service). In total, Austin Health provides over 900 beds, including mental health, aged care and rehabilitation beds and a range of community and in the home services. The current annual operating budget is in excess of \$900 million.

Austin Health delivers vital state-wide services to all Victorians, including to diverse multicultural and veteran communities. It also provides community and specialty services to the people of Melbourne's north-eastern corridor in a safety-focused, team-oriented and stimulating work environment.

Austin Health's current vision is to change healthcare for the better through world class research, education and exceptional patient care. In early 2018, we are finalising our new Strategic Plan 2017-2022 with progressive priorities for the future including a refresh of our vision, values and brand to ensure we are best positioned to deliver contemporary, innovative and patient focussed care.

Austin Health is an equal opportunity employer and is committed to attracting and retaining a diverse workforce that reflects the community we serve. Austin Health is committed to providing an inclusive culture where all employees can contribute to the best of their ability and strive to develop further.

Local Work Environment

The Department of General Medicine provides services to in-patients and out-patients of Austin Health. The Department admits patients under the General Medicine bed card and provides outpatient services via outpatient clinics. Service is also provided to ambulatory patients in the Ambulatory Care Centre and in the Emergency Department. The Department also provides consultative services to other units within the hospital. The Department of General Medicine also serves as the training ground for junior doctors who are aspiring to Fellowship of the RACP and for Advanced Training in General Medicine.

The Department of General Medicine runs the "Medical Assessment Unit" "MAU" that receives patients from the Emergency Department with the intention of expedited and efficient management.

The Department of General Medicine has Advanced Trainees in General Medicine who are appointed to rotations ranging from 6 months in Sub-Specialty Medicine, General Medicine or other areas of Medicine that may be of relevance to General Medicine e.g. Obstetric Medicine.

Position Accountabilities

The appointee will be scheduled to undertake rotations such as the MAU Registrar, Peri-Op Registrar in Sub-Specialty Medicine e.g. Cardiology, Intensive Care, Haematology and Renal. Each of these rotations have specific requirements and specific position descriptions.

Advanced Trainees in General Medicine are expected to actively participate in the Educational activities of candidates for the First Part of the FRACP. The Advanced Trainee will assist the Elizabeth Austin Registrar organising exams and teaching programs for the candidates and providing feedback to the candidates to assist their development.

Advanced Trainees in General Medicine are also expected to provide education to very junior medical staff. The candidates are required to provide teaching at the bedside and in formal settings.

Advanced Trainees in General Medicine may be rostered to do additional or separate duties outside of the General Medicine that would be compatible with General Medicine Training, including weekends and after hours at the Austin.

Advanced Trainees in General Medicine are expected to complete a research or clinical project with the help of the Director of Advanced Training in General Medicine Dr Cilla Haywood.

Role Specific

- Supervision of the General Medicine Junior Medical Staff
- Working in collaboration with the Director and Head of Units to maintain patient flow and quality of care for General Medicine patients.
- Participate in hospital medical clinics as directed by the Director of the Department of General Medicine
- Provide replacement services to in-patient and out-patient medical clinics as gaps in service arise at the direction of the Director of General Medicine
- Other duties as directed by the Director of The Department of General Medicine

Patient Support

- Provide appropriate patient care to:
 - all in-patients referred for a consult in a timely manner
 - Public outpatient clinics

Unit Support

- Support the Senior Medical Staff and other relevant Registrars in the care of the Department's patients

Daily Duty Requirements

- Attend the hospital regularly both in-hours and out-of-hours according to the daily duty statements and rosters
- Participate in an on-call roster as required

Extraordinary Obligations

- Provide clinical support for other Registrars where this may be required due to workload or other unforeseen circumstances

Quality

- Ensure that patients and their families are given adequate information upon which to base treatment decisions and follow-up
- Participate in the relevant divisional/unit quality activities program(s) as requested by the Department Registrar and Senior Medical Staff
- Be responsive to patient and relative complaints, liaising with appropriate Senior Staff and the Patient Representative where required
- Notify appropriate personnel in a timely manner of any incident leading to an adverse outcome for a patient or staff member if such an incident occurs and complete a RiskMan incident report if deemed necessary

Communication

- Facilitate excellent communication and liaison with other staff, General Practitioners and others involved in patient care
- Use and access your Austin email address on a regular basis to ensure that you are not excluded from CEU organised activities such as workshops and tutorials and kept up to date with communications from the Medical Workforce Unit and Austin Health as a whole

Medical Records

- Complete appropriate documentation in the patient's hospital record. Entries should be legible, timely, regular and comprehensive so as to document important changes or decisions and ALL entries must be dated, designated and your name and signature clearly written. Notes should include adequate information for coding and patient care purposes

All Employees

- Comply with Austin Health policies and procedures, as amended from time to time, which can be located on the intranet (The Hub): <http://eppic/>
- Participate in Austin Health's annual Performance Review and Development (PRD) program as required.
- Engage in processes to monitor service delivery and participate in improvement activities.
- Undertake not to reveal to any person or entity any confidential information relating to patients, employees, policies, and processes and not make public statements relating to the affairs of Austin Health without prior authority of the Chief Executive Officer.
- Report incidents or near misses that have or could have impact on safety and participate in the identification and prevention of risks.
- Participate in the emergency incident response activities as directed.

Key Selection Criteria

Essential for Performance in the Position

- Organisational skills
- Skills for communicating with Junior and Senior Colleagues
- Interest in Research
- MBBS or equivalent
- Satisfactory completion of the FRACP written and Clinical Examination

Other Relevant Information

Pre-Existing Injury

Prior to any person being appointed to this position it will be required that they disclose full details of any pre-existing injuries or disease that might be affected by employment in this position.

Immunisation

Maintain appropriate levels of immunisation in accordance with Austin Health's Workforce Immunisation/Screening Policies, in the interests of yourself, all Austin Health staff, patients and visitors.

Austin Health Values

The Austin Health values play a critical role in shaping how we operate as an organisation. They influence our performance, planning, recruitment, training and development, along with our relationship with colleagues, patients and their relatives and friends. The Austin Health values set the standard that we expect all staff to live up to in the way they undertake their role and responsibilities across the organisation, our values:

Our actions show we care	We are inclusive and considerate. We appreciate one another, always listening and interacting with compassion.
We bring our best	We are guided by the needs of our patients, bringing commitment, integrity and energy to everything we do. We are passionate about delivering excellence.
Together we achieve	Our culture of collaboration means we work openly with our people, our community and beyond to achieve great outcomes.
We share the Future	Through research, education and learning we innovate, exploring new opportunities that will change health care for the better.

Austin Health is a Bully Free and Smoke Free Employer

Austin Health is committed to providing employees with a healthy, smoke free work environment where bullying and harassment does not occur. Consistent with this and Austin Health's corporate values of integrity, accountability, respect and excellence, Austin Health will not tolerate employees:

- Behaving in a bullying or harassing manner in the workplace; or
- Smoking on Austin Health premises or in Austin Health vehicles.
