Summary of unit and Training:

The Cardiac Surgery Department, as part of the Surgical CSU, is responsible for the provision of services within the specialty to patients across Austin Health. The Director of the Department is A/Prof Siven Seevanayagam. A/Prof George Matalanis is responsible for the comprehensive Thoracic Aortic Surgery Program and Supervisor of Training is Mr. Nick Roubos. All types of adult cardiac surgery procedures, including minimally invasive procedures and complex valve repair procedures are performed with the exception of cardiac transplantation.

Located at the Austin Hospital, the Unit is committed to the provision of high quality patient care and maintains an ongoing commitment to Undergraduate and Post Graduate teaching. Extensive research projects are undertaken within the department as well as part of multi centre research initiatives. Also provided is a consultative service for other Units within Austin Health.

Details of any pre-requisites/preferences for applicants:

- Current Registration as a Medical Practitioner with AHPRA.
- Have had minimum of 6 months exposure to Cardiothoracic Surgery & Critical Care (ICU / CCU / Cardiology) as an HMO or at Registrar level.

Application Instructions:

Please apply via the Austin Doctors Website link.
